SERVICE PROPOSAL

Save time, save money, modernize your accounting

We help individuals, self-employed workers and SMBs take control of their finances through an approach that combines professional rigour with modern technology.

YOUR DAILY CHALLENGES

Wasted time
Hours spent every month entering invoices, performing reconciliations and preparing reports manually.

Tax risks
Missed deductions, late filings or costly errors that directly impact your bottom line.

Outdated tools
Paper-based processes or spreadsheets that don't communicate with each other, slowing down your growth.

20+
years of accounting experience

80%
reduction in data entry time with Dext

24h
guaranteed response time

$650
starting at / month bookkeeping

OUR SERVICES

Tax planning
